# Precious Stone / Made in Italy

## The story of the product

■ The 60x120 Agata decorations (BLUE / PINK / OCEAN) are inspired by real agates. The decorations are inspired by natural stones, through a reinterpretation and enriched with golden specks and touches of light, ideal for modern and luxurious environments.

This decorations is handcrafted in Italy by a company with a long tradition of artistic ceramic, it is made in silk-screen printing with silky enamels, pure gold and shimmering glass pastes.

■ The 60x120 Agata Black features 4 sumptuous textures crafted and inspired by agates and geodes. Rich dark tones are paired with vibrant gold foil veins to create luxurious backgrounds perfect for adding style and elegance to any creative project.

■ The 60x120 Concrete gold decorations are inspired by concrete textures reinterpreted in a modern key with the insertion of gold using an ancient Japanese technique.

## Uniqueness of the product

Decorated product using FOURTH FIRE TECHNOLOGY. Which it consist in a meticulous process of multiple firings in order to apply materials with different densities on top of the tile. The standard decoration normally uses what we call THIRD FIRES, so , once we go up to FOURTH FIRES PRODUCTIONS is to increase any level of effect that the precious material like GOLD and SILVER has and also combine them with extra effect.

Take in consideration that the materials applied in this tile are REAL GOLD, so with that said, It is consider the most sophisticated tren for decorating tile nowadays. At the same time the whole process is very artistic and artesanal despite any possible technological advance, which that make this decorations such a unique product to have.
