NOK collection

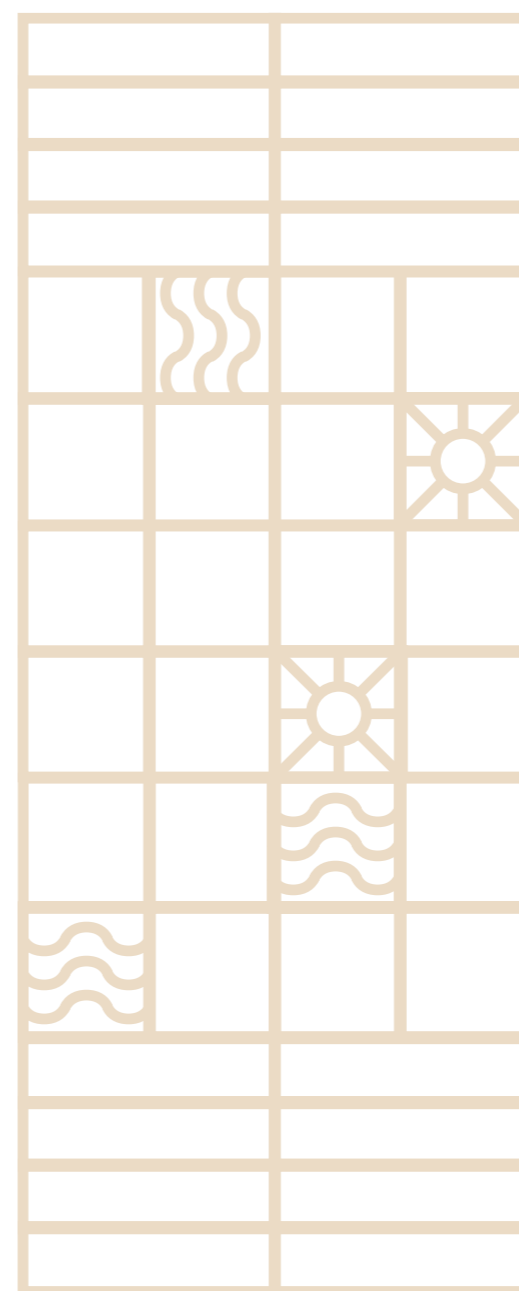

The NOK collection by HARMONY is a tribute to tradition. It conjures up a potter's hands skilfully kneading clay in the workshop before leaving it to dry in the sun, or the sandy hues of the Mediterranean Sea, boosting the natural light and adding a warmer, friendlier touch to places. At the same time, it is also an accolade to glossy glazes, with their colour, beauty and long traditions.

Purity, natural appeal, and careful craftsmanship are the words that best describe NOK. With its singular relief surface and combined matt-gloss effect, the collection stands out for its striking decorative appeal. NOK comes in a 20x40 format with faux joints simulating smaller 10x10 or 5x20 tiles.

colección **NOK**

La colección NOK de HARMONY nos evoca tradición. A las manos del artesano amasando con maestría la arcilla en su taller y dejándola secar al sol. A aquellos tonos arena del mar Mediterráneo que ayudan a potenciar la luz natural de los espacios, haciéndolos así más cálidos y acogedores y a los esmaltes vidriados que nos aportan su belleza, color y tradición.

Pureza, naturalidad y artesanía son términos que describen a la perfección las características de NOK con un relieve particular y un efecto brillo-mate como toque decorativo espectacular. Se presenta en formato 20x40, disponible con precortes de 10x10 o 5x20.
